INTRODUCTION.

TO THE TRADE:

We take pleasure in handing you herewith our THIRD Catalogue of Carved Mouldings and Panels, and beg to call your special attention to the extremely low prices at which we offer them to the trade.

Our goods are NOT pressed, but carved, and are more accurate, smoother and better than hand-made goods.

Mouldings are usually made in Walnut, Cherry and Mahogany, but can be made in any ordinary hard wood lumber, such as Maple, Birch, Sycamore, etc., at same price as Walnut.

New Patterns will be added each season.

Parties desiring Mouldings made to order can have estimates by submitting designs, which will be treated confidential.

TERMS.

Sixty days; ten per cent. discount for cash in ten days.

All accounts must be settled in fifteen days, by cash, accepted draft or note.

All claims for deduction to be made in five days after receipt of goods.

Mouldings are made in lengths of nine feet and under, but if ordered to be cut in short pieces, ten per cent. will be added for cutting.

Soliciting your esteemed orders, we are,

Respectfully yours,

CINCINNATI MOULDING CO.
